

**Introduction of Mixed-Gender Classes in Grade VI from the Upcoming Academic Year**

**Dear Parents,**

*Warm Greetings from Islamiya English School, Abu Dhabi.*

Since its inception, IES has remained steadfast in its commitment to providing a progressive, inclusive, and holistic educational environment that nurtures intellectual growth, mutual respect, and social responsibility among our pupils.

In continuation of these guiding principles, and following careful deliberation by the school management, we are pleased to inform you that the school has received the approval of ADEK to extend the existing mixed-gender classroom system, presently implemented up to Grade V, to Grade VI with effect from the forthcoming Academic Year 2026–2027.

This decision has been undertaken after thorough educational consideration and in alignment with contemporary pedagogical practices that encourage collaborative learning, balanced social development, and the cultivation of healthy interpersonal understanding among students.

We are confident that this transition shall further enrich the academic and personal development of our learners while continuing to uphold the school's cherished standards of discipline, decorum, and excellence.

The school shall ensure that all necessary arrangements are thoughtfully organised so that students continue to learn in a safe, respectful, and conducive atmosphere. We earnestly seek the wholehearted cooperation and support of all parents in making this initiative a meaningful and successful endeavour.

We thank you for your continued trust and partnership in the noble journey of educating our children.

Yours faithfully,

**DR. D. A. NAZAR**
