

BYOD POLICY

(Revised in Aug 2026)

Islamiya English School Abu Dhabi LLC

BYOD POLICY

Rationale for BYOD Initiative:

The school is implementing the BYOD initiative

- To enhance digital literacy among students as it is one of the most important skills in the present times and for the future.
- To assist students to access the newly introduced Online-Sea saw Digital resource and Cambridge Go Digital Learning Platform in the class room.

Purpose of the BYOD Policy:

The purpose of this policy is to maintain a safe and secure cyber environment with the goal of preparing students for responsible and meaningful digital citizenship.

This will be achieved through educating students on appropriate online behavior and netiquette, by reviewing cyber safety rules and by taking appropriate disciplinary action as and when warranted.

Devices:

Devices which can be brought include, but shall not be limited to laptops, tablets, e-readers, as well as any technology with similar capabilities. Mobile phones are restricted.

Authorized Use of Electronic Devices:

Electronic devices brought to school shall be used strictly for educational purposes in approved locations and at all times under the supervision of school personnel. Students shall

- Use electronic devices as per the rules and regulations set forth in this policy and as per general school rules.
- Take photographs and audio/video recordings only for educational purposes with permission and consent of school personnel
- Access only the school network using approved infrastructure only. Data packages will not be allowed.

Responsibilities:

All students are responsible for:

- Submitting the undertaking regarding adherence to school policy, by self and by parent
- Ensuring electronic devices are used in accordance with school policies and procedures
- Caring, maintaining, securing, and storing electronic devices
- Preserving privacy of accounts, login names, passwords, and/or lock
- Codes to maintain security of electronic devices and data
- Maintaining safe and productive learning environments when using electronic devices
- Using electronic devices for educational purposes in approved locations under the supervision of school personnel only
- Implementing virus and malware scanning on their electronic devices
- Reporting any inappropriate electronic device usage to a teacher or administrator immediately
- Ensuring their electronic devices are charged prior to bringing them to school
- Continuing to learn using an alternative method if an electronic device malfunction.
