No. 24/2024-2025

Dear Parents,

Subject: Parents Responsibility for Students' Punctuality to School

Importance: Extremely High

It has been observed that some parents are consistently dropping their children off late in the morning. Additionally, a few students residing near the school are also arriving late. Despite several requests for improvement, this issue persists.

We understand that the student is not always at fault, but this pattern of behaviour from parents is a concern. As the first teachers of your children, we must reflect on the example we are setting. What message are we conveying about punctuality and responsibility?

We humbly request the cooperation of all parents in fostering a positive school culture that emphasizes the importance of punctuality and attendance.

Thank you for your attention to this important matter. In this regard, parents are kindly requested to click the following link for filling out the undertaking form:
